My Dearest Elizabeth,

I write to you from the gardens of Hartfield, where the roses bloom in profusion and the air carries the sweetest fragrance of jasmine & rose.

It has been three months since our last correspondence, and I confess that each day apart feels longer than the last. The botanical specimens I collected during our walk through the conservatory have been pressed and mounted with great care.

I enclose herein a small illustration of the Rosa Centifolia that so captured your attention. It is my sincere hope that this find you in good health & spirits.

***With the warmest regards,
Your devoted friend,
E.M.***
